Covid-19 Secure Community Facilities Risk Assessment

Form v9: Dated 13/05/2021

Health & Safety Representative:

Joanna Barden, Centre Manager

After returning to work after the Covid-19 lockdown, Heene Community Association is following the current Government's guidance for the safe use of multi-purpose community facilities.

The Centre is taking all reasonable measures to minimise the risk of exposure to the coronavirus and expects all users of the Centre to apply a common sense approach to Health and Safety when using the facilities.

All hirers must return the Covid-19 Risk Assessment Signature Form, as confirmation hirer has read and understood the guidance.

- Use of PPE – Face coverings/masks must be worn in all communal areas, unless attending an exercise class
 - Hygiene – Signage informing users of the Centre to use the wall-mounted hand sanitisers
- Social Distance - 2m physical distancing or with reasonable steps and measurers in place – Floor markings in corridors
 - Fire exit doors used as an entrance or exit depending on the individual hirer and their class
 - Regular cleaning - High usage areas and anything that is frequently touched
- Track & Trace – Asking all users of the Centre to add their contact details to a Track and Trace form or use the NHS Covid-19 App
