*At the Heart of the community since 1986*

**March 2021**

At last, there is some news to tell you! Further to the latest Government's announcement on 22<sup>nd</sup> February, restrictions can slowly be lifted. Please be aware that Heene Community Centre has been hit very hard financially in the past year, even with assisted small grants. All money generated by room hire sustains the running of the Centre and it is not run by the council. Therefore, The Trustees and Management have had to make the difficult decision to not reopen the Centre until Monday 17<sup>th</sup> May, due to staff costs etc, when **all classes** can finally resume at the Heene Community Centre.

I am in the process of contacting all regular hirers regarding resuming their classes. The office is now taking bookings for parties and wedding receptions, taking place from Monday 21 June. However, these dates may be subject to change and be out of our control, due to Government's guidance. Rest assured, once the Centre is able to reopen; all health & safety procedures will still be in place to ensure The Heene is 'Covid-19 Secure' for your peace of mind. Please watch this space regarding Café one22. I hope you have been keeping well and look forward to seeing you all at The Heene very soon.
