### The Queen's Award for Voluntary Service

We are extremely proud to announce that we have received the prestige accolade of The Queen's Award for Voluntary Services. It is the highest award given to local volunteer groups across the UK to recognise outstanding work done in their own communities. The Vice-Chair of the Trustees and the Centre Manager enjoyed a glorious day out at a Royal Garden Party at Buckingham Palace in May.

### The Queen's Award for Voluntary Service

*"It is a wonderful honour for the Centre to be recognised for the Queen's Award for Voluntary Service. I would like to thank every single volunteer for their time, hard work and commitment, as without their efforts this award would not have been possible. They have contributed towards making Heene Community Centre - the heart of the community. They should be very proud of themselves."* Joanna Barden, Centre Manager
